Refrain:

We are one  
and we're learning hand in hand.

ye ye biako (spricht: jeje - mit 2 kurzen e's)  
help each other where we stand.

Wir sind eins,  
we will build a better world.

We are one  
and we're learning hand in hand.

Playing games  
with all our friends  
in the great school break.

Here we have  
our happy place,  
this is our space.
